

International Civil Aircraft Development Conference

Call for Papers Announcement

December 17, 2013

The International Civil Aircraft Development Conference is hosted by the Jiao Tong University (交通大學) in Shanghai, China and Chinese Institute of Engineers (CIE/USA) in the United States. The conference will be held from May 26, 2014 to May 28, 2014 in Shanghai, China.

The objective of the Conference is to provide a forum for researchers and practitioners in the world for sharing their research and application experience in the commercial airplanes development arena.

It is our honor to invite you to attend this Conference. Please follow the process below for a speaker's application:

1. Submit a short bio with photo and abstract using the provided templates by January 14, 2014 to the CIE Conference Coordinators listed below. Templates can be located in the link [here](#).
2. The host Jiao Tong University will notify you via CIE if you have been accepted as a speaker by the January 30, 2014.
3. Once accepted, your PowerPoint presentation will be due by March 15, 2014. Your presentation must be approved by your company. You will be required to sign a speaker acceptance form.
4. Your bio, abstract and .ppt presentation must be written in English. However, during your presentation, explanation in Chinese will be a plus.
5. The economy class international airfare and hotel/meals, local transportation during the Conference period will be defrayed by the hosting organization. CIE will be responsible for your traveling arrangement from US to and back from China.

Chinese Institute of Engineers (CIE) is a non-profit 501.C(3) organization found in 1917 and currently has 7 chapters in the United States. The organization promotes Science, Technology, Engineering and Math (STEM) through our local communities and has more than 40 year experience in hosting/cohosting national and international events. For more details about CIE, please refer to the website www.cie-usa.org. Should you have any questions for this conference, please e-mail the following Conference coordinators.
